2016 WINTER QUARTER

RE-IMAGINE

INSPIRE PROGRAM Class Catalog

JANUARY 18TH – MARCH 25TH, 2016

NEW! ARTS OPEN STUDIO, DAILY 3:00 PM – 5:00 PM

During the Winter and Spring Quarter classes, students will focus on the theme of re-purposing, re-creating, and re-imagining themselves as artists. Departments will collaborate with one another to provide students with a multi-disciplinary experience. This two-phase project will have an early success exhibit in March at the end of the Winter Quarter, and a final culminating interactive exhibition in June.

A REASON TO SURVIVE

Middle / High School

MUSIC

Guitar | DeeJay | Monday | 5:00PM-7:00PM | Location: Music Studio

Participants will be introduced to stringed instruments (guitar, ukulele, bass). Projects will include learning how to play the guitar, guided practice, and final performance.

**ARTS closed Monday, January 18 in observance of Martin Luther King Jr. Day
Starting Date: Monday January 25, 2016*

Big Music 1 | DeeJay | Tuesday | 4:30PM-6:30PM | Location: Music Studio

Participants will be introduced to a wide spectrum of musical topics and will learn how to realize their creative musical ideas. Projects will include composing and recording music, performing, collaboration, and personal artistic development.

**Prerequisite is any other music class. **

ARTS Choir | Sara | Tuesday | 4:00PM-6:00PM | Location: Gallery

Participants will learn to sing and sing together. Projects will include learning vocal techniques, learning songs, and performing.

Piano | Ana | Friday | 5:00PM-7:00PM | Location: Music Studio

Participants will be introduced to the elements of piano. Projects will include learning how to play the piano, guided practice, and a final performance.

Music Theory | Diego | Thursday | 5:00PM-7:00PM | Location: Music Studio

Participants will learn about music theory. Projects will include learning to read music notation, reading chord charts, how to compose, and a real world ARTS music theory proficiency certification.

Violin 1(Beginners) | Daisy | Wednesday | 5:00PM-7:00PM | Location: Music Studio

Participants will continue to learn how to play the violin. Projects will include learning violin technique and performing. **Violin is provided*

Violin 2 (Intermediate) | Daisy | Friday | 5:00PM-7:00PM | Location: Gallery

Participants will continue to learn how to play the violin. Projects will include learning violin technique and performing. **Violin is provided*

Big Music (Open Studio) | Rotating TA | Saturday | 1:00PM-4:00PM | Location: Music Studio

Participants will be introduced to a wide spectrum of musical topics, and will learn how to realize their creative musical ideas. Projects will include composing, recording music, performing, collaboration, and personal artistic development.

**Prerequisite is any other music class.*

Music Studio will be open to students from 3:00PM-5:00PM every day, with exception of Tuesday.

MEDIA ARTS

Video Animation | TBD | Tuesday | 5:00PM-7:00PM | Location: Media Studio

Imagine your virtual future through animation! Students will learn how to animate their own fictional narrative stories using Adobe Photoshop CS6 and iMovie software. Through the process of creating original short films, students will learn the art of storyboarding, cinematography, Foley sound design, voiceover and music for film.

Digital vs. Analog 2.0 | Virgil | Wednesday | 5:00PM-7:00PM | Location: Media Studio

What's old is new again in this practical use of Photoshop and Illustrator for painters and designers. Make an exciting movie poster starring you! Or, paint a flying car into a Renaissance period painting. Explore what is outside the canvas in Digital vs. Analog 2.0.

Photo | Michelle | Thursday | 5:00PM-7:00PM | Location: Media Studio

What's your perspective? Students will learn basic photo techniques such as framing, composition, and abstraction to capture the way they see and interpret their world.

PhotoPLUS | Christina | Friday | 5:00PM-7:00PM | Location: Media Studio

Re-imagine the world using photography! In PhotoPLUS, students will learn intermediate and advanced photography skills while exploring how to illuminate their unique perspectives of the world using DSLR's. Photo field trips throughout the community will offer students an opportunity to explore and apply their understanding of light and its impact on translating mood and emotion through photography.

Write On! | Michelle | Friday | 5:00PM-7:00PM | Location: Gallery

Write On! In this creative writing workshop students will learn how to use various literary devices such as characterization, alliteration, and metaphors. They will practice writing in several genres, which may include narrative, prose, and poetry. Additionally, we will explore writing and art as a conversation, and the way we not only express, but communicate our thoughts and feelings, whether realistic or imagined.

Open Studio Wednesdays & Thursday @ 4PM-5PM!

VISUAL ARTS

Express Yourself! | Albert | Friday | 4:00PM-6:00PM | Location: Visual Arts Studio

Drawing from their own interests and inspirations, artists will expand the limits of their creative expression. Students will explore different artists, art styles, and arts practices to enrich their artistic learning and development.

**Drawing + Painting: Reimagining Your World | TBD | Thursday | 4:30PM-6:30PM |
Location: Visual Arts Studio**

Artists will explore their own creativity and imagination through drawing and painting. Students will learn to develop their creative ideas while drawing inspiration from different artists, art works, and art styles. Different methods of drawing and painting, materials, and textures will be explored in different projects.

**Fun with Clay + Pottery | Aerial | Monday + Wednesday | 5:00PM-7:00PM |
Location: Visual Arts Studio**

Artists will learn how to hand-build as well as use the pottery wheel to create functional and non-functional pieces of art from start to finish by using clay and glazes to express their creativity.

**ARTS closed Monday, January 18 in observance of Martin Luther King Jr. Day*

Visual Arts Studio will be open to students from 3:30PM-5:00PM.

NEW!

PERFORMING ARTS

transcendANCE Technique | Rotating DT | Saturday | 10:00AM-11:30AM

This workshop is a two part class for students interested in dance and wanting to perform. Students will learn new dance skills in a variety of styles such as hip hop, Latin, contemporary, and modern dance taught by a different dance teaching artists each week. The second half of the class will focus on learning new choreography created through the course of the workshop to be performed at the ARTS Open House at the end of the quarter. *Starting date: Saturday, February 6th to March 25th, 2016*

ARTS other Happenings!

Guest Artist Workshops! Come meet incredible professional artists each Saturday starting January 30th, 2016. Each guest artist will share their unique style of work, skills, and expansive techniques. Make sure to join us!

Please RSVP at Front Desk with Janel, community Liaison via phone: 619.297.2787 ext. 2009, email: frontdesk@areasonetosurvive.org, or in person
